Housing Provider HCV Program Responsibilities Certification

Directions: Please read ALL statements and sign and date to indicate you understand and will comply with these HCV Program requirements. Pay special attention to the statements about late fees for this program.

- Owners will do their own tenant screening of households. Owners have the right to deny voucher holders.
- Owners will comply with PHA requests for completed documentation in a timely manner.
- Owners will comply with all Fair Housing Laws and not discriminate against anyone.
- Owners must properly maintain the federally assisted rental unit and the rental unit property.
- Owners must repair all owner responsible inspection fail items within the specified due dates to ensure they remain eligible to receive federal rental assistance payments each month. Non-life-threatening fail items have a thirty (30) day repair window. Life threatening fail items have a 24-48 hour repair window. Failure to repair items by specified due dates can result in the abatement of rental assistance payments, and in some cases the termination of the HAP contract and lease for the household.
- Owners will enforce the terms of their lease and collect rent from households and the PHA each month.
- Owners who sign the HAP contract with the PHA are agreeing to the PHA's payment schedule for the federal rental assistance payments. The PHA's payment schedule may not comply with your lease requirements for tenants. You are NOT allowed to charge the tenant a late fee if the PHA's payment arrives after your lease's required payment due date.
- Owners CANNOT charge households late fees for any PHA rent payments that are received after your property's lease required payment due date. The owner can only charge late fees if the household's portion of rent is not made on time as per the lease requirements.
- Owners will adhere to state and local guidelines for providing timely notices to households regarding their rental unit.
- Owners MUST provide written requests to the PHA, at least sixty (60) days prior to the effective date, for ANY proposed rent increase to an assisted unit! Rent increases are not allowed during the initial lease term on the HCV program. The PHA must review any proposed rent increase, verify the rent increase is still rent reasonable, and make sure the requested rent increase is allowed to go into effect for the program.
- Owners will pursue evictions against any household who violates their lease agreement. Households who are legally evicted from a federally assisted unit will also be terminated from the Housing Choice Voucher program.
- Owners MUST report to the PHA if there is ever a management change at the property, or if payment information changes. (Failure to provide proper notice to the PHA may result in payments getting sent to the wrong place, and the owner will be responsible for retrieving the payment since they did not provide the PHA with proper notice.)

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. If you do not have a number, see *How to get a TIN*, later.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

WHEDA
WISCONSIN HOUSING AND ECONOMIC DEVELOPMENT AUTHORITY

Attention HCV Housing Providers,

This letter is a reminder of the requirement that all rent increase notices MUST be submitted in writing to your PHA, **AT LEAST SIXTY (60) DAYS** before the rent increase will go into effect..

This notice can be provided via mail, email, or fax to your PHA.

Please note that rent increases cannot be approved during the initial lease term for any HCV program participant's unit.

According to the HUD Housing Assistance Payment (HAP) contract, all rent increases must be sent in writing at least 60 days prior to implementation. Sixty days is the alloted time for our office to process the notification, re-calculate the subsidy and tenant portions of rent, and provide the required notices to all parties of any HAP changes that will affect the household's rent portion.

(Please see Page 8, section D, title d 'Changes in Lease or Rent' of your HAP Contract).

Once the rent increase notice is received and approved, the change will be scheduled to go into effect on the 1st of the month following the sixty (60) day notice at the earliest.

Thank you,

MEMO

Information on the HUD funded Housing Choice Voucher Program For all Prospective Housing Choice Voucher Landlords

Housing Choice Vouchers (HCV) permit low income participants to find safe, decent and affordable housing. The voucher holder selects a unit on the private market. The voucher holder then pays 30% to 40% of their adjusted monthly income for rent while WHEDA pays the remainder of the rent directly to the landlord.

Any type of unit may qualify for the program if:

- The unit is not a congregate, shared, or group housing setting. The unit must be housed by the approved household as the sole inhabitants,
- the Gross Rent (rent plus utility allowances) does not exceed the Payment Standard for the bedroom size. If the Gross Rent does exceed the Payment Standard, the tenant may not pay more than 40% of their monthly income upon initial lease-up,
- The proposed rent is determined to be reasonable,
- the unit meets minimum Housing Quality Standards (HQS),
- the landlord agrees to participate in the program.

Housing Quality Standards are set by HUD and necessitate an inspection (free of charge) by the Housing Authority (generally these federal standards are less stringent than city codes). HQS inspections must be completed prior to lease up, and are performed every second year following lease up unless the unit failed the prior inspection, in which case the inspection will be performed within one year of the prior inspection.

When the family is settled in a new dwelling, the family is expected to:

- comply with the lease,
- comply with the program requirements,
- pay their share of the rent on time,
- maintain the unit in good condition,
- notify the Housing Authority of any income change(s),
- notify the Housing Authority of any family composition change(s).

Housing Provider HCV Program Responsibilities

- Owners will do their own tenant screening of households. Owners have the right to deny voucher holders.
- Owners will comply with PHA requests for completed documentation in a timely manner.
- Owners will comply with all Fair Housing Laws and not discriminate against anyone.
- Owners must properly maintain the federally assisted rental unit and the rental unit property.
- Owners must repair all owner responsible inspection fail items within the specified due dates to ensure they remain eligible to receive federal rental assistance payments each month. Non-life-threatening fail items have a thirty (30) day repair window. Life threatening fail items have a 24-48 hour repair window. Failure to repair items by specified due dates can result in the abatement of rental assistance payments, and in some cases the termination of the HAP contract and lease for the household.
- Owners will enforce the terms of their lease and collect rent from households and the PHA each month.
- Owners who sign the HAP contract with the PHA are agreeing to the PHA's payment schedule for the federal rental assistance payments. The PHA's payment schedule may not comply with your lease requirements for tenants. You are NOT allowed to charge the tenant a late fee if the PHA's payment arrives after your lease's required payment due date.
- Owners CANNOT charge households late fees for any PHA rent payments that are received after your property's lease required payment due date. The owner can only charge late fees if the household's portion of rent is not made on time as per the lease requirements.
- Owners will adhere to state and local guidelines for providing timely notices to households regarding their rental unit.
- Owners MUST provide written requests to the PHA, at least sixty (60) days prior to the effective date, for ANY proposed rent increase to an assisted unit! Rent increases are not allowed during the initial lease term on the HCV program. The PHA must review any proposed rent increase, verify the rent increase is still rent reasonable, and make sure the requested rent increase is allowed to go into effect for the program.
- Owners will pursue evictions against any household who violates their lease agreement. Households who are legally evicted from a federally assisted unit will also be terminated from the Housing Choice Voucher program.
- Owners MUST report to the PHA if there is ever a management change at the property, or if payment information changes. (Failure to provide proper notice to the PHA may result in payments getting sent to the wrong place, and the owner will be responsible for retrieving the payment since they did not provide the PHA with proper notice.)

Household Responsibilities on HCV Program:

Households have several responsibilities once you are officially on the HCV program and start receiving federal rental assistance payments. Failure to comply with these responsibilities is grounds for termination from the HCV program and may result in your household owing money and/or getting evicted from your unit.

- Households MUST provide true and accurate information to your PHA. This includes keeping your contact information up to date. If you change phone numbers or email addresses, you MUST notify your PHA immediately so that we know how to contact you!

Fraud, or knowingly providing false or incomplete information can be grounds for termination from the HCV program and is punishable by state and federal law.

- Households MUST pay their portion of rent directly to their landlord and on time as per their lease.
- Households MUST comply with the terms of their lease. A lease is a legally binding document between the household and the landlord. Failure to do so may result in the landlord pursuing an eviction. If your household is evicted from a federally assisted unit, then your household will also be terminated from the HCV program.
- Households MUST report to their PHA, in writing, within 10 business days (2 weeks) of any changes in their household composition or income.

This includes if you want to move someone in or out of your household, if someone is in the hospital or rehab, if you lost a job, started a new job, if your hours increased or decreased, or if you got a raise etc.

- Households MUST provide all requested documentation and verifications to your PHA upon request. Your PHA will communicate with you by email and/or mail. Do not ignore your PHA!

Every household will be required to complete our Annual Reexamination paperwork each year you remain on the HCV program. Your PHA will mail and/or email you the paperwork months before your annual reexamination is due and ask you to complete and return the packet along with any additional verification documents by a specified due date. If your household does not comply, then it may lead to withholding your federal rental assistance payments and/or the termination of your HCV federal rental assistance.

- Households MUST use their federally assisted unit as their primary residence. Your household cannot receive duplicate federal rental assistance on a unit, and your household cannot be living in two places at the same time.
- Households cannot be absent from the assisted unit for more than 120 consecutive days, unless the PHA grants an extension, and no household can be absent from the assisted unit for more than 180 days even with extensions. Incarceration is not an approvable reason for an extension for the 120 consecutive days absent from unit policy.
- Households should contact your PHA if there is any situation regarding VAWA (domestic violence, dating violence, sexual assault, and stalking) on the premise of your unit, or any situation where someone may know your rental unit location. There are protections in place for you.
- Households should contact your landlord first with any concerns about unit issues that may need repairs. If the landlord is not cooperative, then households should contact your PHA and we can schedule a tenant requested inspection to inspect your items of concern. If those items fail the PHA inspection, then your landlord would be notified of the items and given a specific timeframe to make those repairs.
- Households MUST NOT commit any violent or drug related criminal activity while on the program, and households MUST make sure that they are not interfering with the health, safety, or right to the peaceful enjoyment of the rental property premise for other tenants. Household also MUST NOT be abusive or threatening to PHA staff.

Please refer to Chapter 12 'Termination of Assistance and Tenancy' for the full listing of mandatory and permissible reasons for terminating a household from the program. Pages 12-1 through 12-9 are provided in this Briefing Packet.

WHEDA's complete HCV program Administration plan can be found on our website: hcv.wheda.com

PHA Responsibilities for the HCV Program:

- Your PHA will be responsible for making timely rental assistance payments to your landlord, and utility reimbursement payments to your utility companies if applicable, on your behalf each month.

  Timely payments can only be made if all parties provide all requested documentation by specified due dates, and all household information can be properly verified. If your PHA has difficulty verifying information that would impact the federal rental assistance portion, then a monthly payment may be delayed until verification is complete.

- Your PHA will perform Interim and Annual certifications for all assisted households in a timely manner and adhere to WHEDA administrative policies and procedures to ensure that HCV program regulations are followed.

  This includes making sure any Interim certification is put into effect based on our household portion increase vs. decrease policy and making sure any proposed rent increase is rent reasonable for the HCV program.

- Your PHA will provide written notice to all parties at least thirty (30) days prior to any certification taking effect whenever possible.

  Advanced written notice of certifications cannot be guaranteed if the household or landlord does not provide proper notice of changes to the PHA, or if either party fails to provide required documentation in a timely manner.

- Your PHA will provide required documentation to all parties in a timely manner and with specified due dates listed.

- Your PHA will be monitoring the household's and owner's responsibilities while on the program and your PHA may issue warning letters or other written notices if either party can be proven to have violated HCV program responsibilities.

- Your PHA will pursue terminations from the Housing Choice Voucher for any household who violates our mandatory program requirements or violates any of our permissible termination criteria.

- Your PHA will follow all requirements when working with another PHA regarding portability of a WHEDA voucher holder.

- Your PHA will review all reasonable accommodation requests from households and modify normal procedures to accommodate the needs of any household member with disabilities.

PHA Policy on Sharing Household Information with Prospective Owners:

The PHA must provide the owner with the family's current and prior address (as shown in the PHA records); and the name and address (if known to the PHA) of the landlord at the family's current and prior address. [24 CFR 982.307 (b)(1)].

The PHA is permitted, but not required, to offer the owner other information in the PHA's possession about the tenancy history or trafficking of family members [24 CFR 982.307(b)(2)].

WHEDA Housing Choice Voucher Program HQS/NSPIRE Inspection Standards Update

Dear Housing Providers and Program Participants,

This is notice of upcoming changes to inspection standards and the implementation of NSPIRE (National Standards for the Physical Inspection of Real Estate)**,** for all **WHEDA** Housing Choice Voucher (HCV) and Project Based Voucher (PBV) households.

Effective **October 1st, 2025**, WHEDA's HCV Program inspection process will begin assessing units based on the new National Standards for the Physical Inspection of Real Estate (NSPIRE). NSPIRE, which will be replacing HQS, establishes a new approach to assessing housing quality inspections and strengthens physical condition standards and will be replacing the current HQS standards. Implementation of NSPIRE will ensure that the overall condition of the dwelling unit and property, including components located both inside (i.e. common areas and building systems) and outside of the building (i.e. site exteriors and grounds), and within the units are functionally adequate, operable, and free of health and safety hazards.

It is important to comply with these new requirements to avoid delays in the leasing process, life threatening fail items, or the abatement of federal rental assistance payments.

The biggest changes are as follows:

1. All the smoke alarm changes, placement and 10-year sealed/hard wired
2. Inspections will include the unit/inside/outside for all units, this includes the path of travel to unit on apartment buildings
3. GFCI's within 6 feet of water source
4. Interior wall holes cannot be greater than 2 inches in diameter or an accumulation of holes that are cumulatively greater than 6 inches by 6 inches.
5. Heaters must be functional year round

Units subject to inspections prior to the implementation effective date will be held to the HQS administrative and enforcement policies in place at the time the inspection was conducted, but this will also include NSPIRE standards already required for carbon monoxide detectors and smoke alarms. To further assist our participating landlords and families, enclosed with this notification is guidance material on properly preparing for a NSPIRE inspection.

Sincerely,
Housing Choice Voucher (HCV) Team

NOTICE TO HOUSING CHOICE VOUCHER AND MODERATE REHABILITATION APPLICANTS AND TENANTS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)

This notice was adapted from a notice prepared by the National Housing Law Project.

A federal law that went into effect in 2013 protects individuals who are victims of domestic violence, dating violence, sexual assault, or stalking. The name of the law is the Violence against Women Act, or "VAWA." This notice explains your rights under VAWA.

Protections for Victims

If you are eligible for Section 8 through the Housing Choice Voucher or the Moderate Rehabilitation programs, the housing authority cannot deny you rental assistance solely because you are a victim of domestic violence, dating violence, sexual assault, or stalking.

If you are the victim of domestic violence, dating violence, sexual assault, or stalking, you cannot be terminated from the Section 8 program or evicted based on acts or threats of violence committed against you. Also, criminal acts directly related to the domestic violence, dating violence, sexual assault, or stalking that are caused by a member of your household or a guest can't be the reason for evicting you or terminating your rental assistance if you were the victim of the abuse.

Reasons You Can Be Evicted

You can be evicted and your rental assistance can be terminated if the housing authority or your landlord can show there is an *actual* and *imminent* (immediate) threat to other tenants or employees at the property if you remain in your housing. Also, you can be evicted and your rental assistance can be terminated for serious or repeated lease violations that are not related to the domestic violence, dating violence, sexual assault, or stalking committed against you. The housing authority and your landlord cannot hold you to a more demanding set of rules than it applies to tenants who are not victims.

Removing the Abuser from the Household

Your landlord may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the assisted unit. Also, the housing authority can terminate the abuser's Section 8 rental assistance while allowing you to continue to receive assistance. If the landlord or housing authority chooses to remove the abuser, it may not take away the remaining tenants' rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, your landlord must follow federal, state, and local eviction procedures.

Moving to Protect Your Safety

The housing authority may permit you to move and still keep your rental assistance, even if your current lease has not yet expired. The housing authority may require that you be current on your rent or other obligations in the Housing Choice Voucher or Moderate Rehabilitation program. The housing authority may ask you to provide proof that you are moving because of incidences of abuse.

Proving That You Are a Victim of Domestic Violence, Dating Violence, or Stalking

The housing authority and your landlord can ask you to prove or "certify" that you are a victim of domestic violence, dating violence, sexual assault, or stalking. The housing authority or your landlord must give you at least 14 business days (i.e., Saturdays, Sundays, and holidays do not count) to provide this proof. The housing authority and your landlord are free to extend the deadline. There are three ways you can prove that you are a victim:

- Complete the certification form given to you by the housing authority or your landlord. The form will ask for your name, the name of your abuser, the abuser's relationship to you, the date, time, and location of the incident of violence, and a description of the violence. You are only required to provide the name of the abuser if it is safe to provide and you know their name.
- Provide a statement from a victim service provider, attorney, or medical professional who has helped you address incidents of domestic violence, dating violence, sexual assault, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both you and the professional must sign the statement, and both of you must state that you are signing "under penalty of perjury."
- Provide a police or court record, such as a protective order.

If you fail to provide one of these documents within the required time, the landlord may evict you, and the housing authority may terminate your rental assistance.

Confidentiality

The housing authority and your landlord must keep confidential any information you provide about the violence against you, unless:

- You give written permission to the housing authority or your landlord to release the information.
- Your landlord needs to use the information in an eviction proceeding, such as to evict your abuser.
- A law requires the housing authority or your landlord to release the information.

If release of the information would put your safety at risk, you should inform the housing authority and your landlord.

VAWA and Other Laws

VAWA does not limit the housing authority's or your landlord's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking.

If you have any questions regarding VAWA, please contact WHEDA's Housing Choice Voucher Specialists by email at **hcvprogram@wheda.com**.

Definitions

For purposes of determining whether a tenant may be covered by VAWA, the following list of definitions applies:

VAWA defines *domestic violence* to include felony or misdemeanor crimes of violence committed by any of the following:

- A current or former spouse of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with or has cohabitated with the victim as a spouse
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies
- Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction

VAWA defines *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

VAWA defines *sexual assault* as "any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent" (42 U.S.C. 13925(a)).

VAWA defines *stalking* as (A)(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person OR (ii) to place under surveillance with the intent to kill, injure, harass, or intimidate another person AND (B) in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person, (ii) a member of the immediate family of that person, or (iii) the spouse or intimate partner of that person.
